Program Description

The Alpha Gamma Delta Foundation provides grants to nonprofit organizations throughout the United States and Canada that fight hunger in their communities. These grants are intended for U.S. 501(c)(3) and Canadian NPO organizations. They are not available for individuals, academic or scientific research, endowments, or to be used in direct lobbying expenses to influence legislation or elections.

Grants are focused on three strategic areas:

- Direct food assistance or food distribution in communities
- Food rescue
- Nutrition education related to food assistance

Grants are awarded up to \$10,000 per program or project. The Alpha Gamma Delta Foundation receives approximately 120 completed applications per grant cycle. Due to the finite resources of the Alpha Gamma Delta Foundation, the average grant recipient receives \$5,000.

Eligibility Requirements

Grant recipients must be nonprofit U.S. 501(c)(3)/Canadian NPO organizations whose mission is to fight hunger, rescue food, address food insecurity, provide hunger relief in local communities, or provide nutritional education related to food assistance.

Grant applicants must provide a U.S. Form 990 or Form 990-EZ/Canadian Form T3010 within the application's appropriate section(s) (including all schedules).

Grants are not awarded to:

- Organizations or programs based outside of the United States or Canada

- Political organizations and those having the primary purpose of influencing the legislation or promotion of an ideological view.

Plan Ahead

Create your account in SmarterSelect. *We recommend creating your SmarterSelect account with a general email for your organization (e.g., info@YourOrg'sName.org) to prevent lost application notifications due to staff turnover.*

Preview the application carefully, reviewing the requirements and questions in advance. Helpful information to have when you apply includes:

- Your most recent tax filings (including all schedules)
- Any program/project demographic information
- Relevant timelines or program/project goals
- Volunteer information, including contact information for Alpha Gamma Delta collegiate chapters or alumnae chapters/clubs involved with your organization
- Program/project assessment and evaluation materials
- Program/project budget documents

Test the Online Application System

Become comfortable using the SmarterSelect application system in advance of the deadline. The SmarterSelect system is very busy early in the calendar year, so we recommend completing your application before the due date.

You are responsible for proofreading your application for accuracy before submitting your application. You may not make changes to your submitted application.

Meet All Deadlines

The Alpha Gamma Delta Foundation does not accept late materials for any reason, including problems with your computer or the SmarterSelect system.

Notification Process

On or around the selection notification date, the Alpha Gamma Delta Foundation notifies Fighting Hunger Grant applicants by email. *Again, organizations should use a general email when*

creating a SmarterSelect account. Following emails, a notification letter accompanies grant funds for recipients only.

Those not selected to receive a grant are notified via email. **Notification emails are sent to the individual listed on your application.**

Applicants who do not receive a notification (either by email or mail) by June 1 should check their spam email and then contact the Foundation Office via email or call 317.663.4242 regarding their selection status.

If you are not selected as a Fighting Hunger grant recipient, please consider applying again next year. The applicant pool varies each year.

Recipient Requirements

Recipients are required to complete a final grant report within 90 days of program/project completion or by October 31, 2024, whichever comes first.

The preliminary selection notification letter provides information about the final grant report.
