

ALPHA GAMMA DELTA FOUNDATION

**In celebration of 30 years of the Collegiate Chapter Jewel Society  
the Foundation has exciting news!**

Beginning this fiscal year, we will provide recognition in the Jewel Society by tiers.

The support provided by our chapters has increased substantially over the years, and we'd like to provide additional recognition to honor this incredible hard work.

Achieving Jewel status at the \$2,000 level is still an amazing accomplishment, therefore we are keeping it as the minimum level to gain Jewel membership status.

The new tiered collegiate chapter Jewel Society will recognize chapters in the following categories:

**Diamond Jewel Society**

\$25,000+

**Gold Jewel Society**

\$10,000 - \$24,999

**Silver Jewel Society**

\$5,000 - \$9,999

**Jewel Society**

\$2,000 - \$4,999

Please keep an eye out for more information about this change this summer.
