

Fundraising Fees

Chapter Actions	Associated Fees	Notes
Chapter sets up an event in CrowdChange	0%	The CrowdChange event automatically connects to the chapter's Billhighway account
Donations received and processed using CrowdChange	8.6% (5% to CrowdChange & 3.6% to cover credit card fees and to pay Billhighway, as the payment processor)	Donors can choose to cover this entire 8.6% fee when making their donation. This should be encouraged, even in the event description
Chapter collects \$/checks for the fundraising event and deposits them into their Billhighway account (via mail or ACH)	1%	This is a standard fee for <i>all</i> chapter deposits into the chapter's Billhighway account
Chapter recoups fundraising expenses then, through Billhighway, requests a donation (check or Send Money) to the Foundation	0%	No charge to the chapter because the Alpha Gamma Delta Foundation is a "client" of Billhighway's
Chapter requests checks/payment to vendors, venues, suppliers, other organizations, etc. via Billhighway	\$40 for every 100 checks requested	This cost includes Billhighway's work to create and send the check as well as the cost of the physical check (ACH payments are free)
Chapter purchases a Prepaid Card from Billhighway to use for payments, rather than requesting Billhighway send funds	\$4 one-time	This Prepaid card is available to chapters (but not required) and is valid for one year
Chapter orders Billhighway Anywhere	\$169 + shipping for device, \$40/annually for maintenance	This (optional) card reader and app can help chapters process donations and payments
Chapter uses Billhighway Anywhere or the Collect Donations option in Billhighway	3% credit card; 1% ACH processing fee per transaction	It's important to know there are fees associated any time money is exchanged, unless the chapter is given cash, however there is still a 1% fee to deposit that cash donation

Notes:

- These fees are as of 10.02.2024 and are subject to change.
- Refer to the Billhighway Training Center for their specific fees.
- Please reach out to individual vendors if you have questions about their fee structure.
